- This process continues for each shot until the ball is holed out.
- For shots on the green, each player must play within a putter's head of where the ball came to rest.
- The team records the best score achieved for each shot throughout the round.

- In case of lost balls or out-of-bounds shots, the team must play the ball from the original spot and add a penalty stroke to their score.

Winners:

- The winning team will be announced once all scorecards have been collected, reviewed, and verified.
- Prizes will be awarded to the top-performing teams based on their net scores.
- In case of a tie, a tiebreaker system will be implemented to determine the final winner.
