

BEHAVIOUR TECHNICIAN LEVEL 1 (Previously Instructor Therapist)

Lake Ridge Community Support Services provides high quality treatment, education and evaluation research services. We have over 70 clinicians and provide a range of services to agencies, families, children, youth, and adults. We have been providing services for over 30 years.

We are currently looking to add to our professional team. We are seeking to hire a Behaviour Technician Level 1. A Behaviour Technician Level 1 is responsible for implementing direct comprehensive behaviour therapy services to children with Autism Spectrum Disorder using Applied Behaviour Analysis principles.

Qualifications:

- Degree in Psychology, Diploma/Degree in a field related to Applied Behaviour Analysis or Behaviour Science Technology Diploma
- Experience working as an Instructor Therapist with children with Autism Spectrum Disorder
- Knowledge of ABA principles
- Understanding of child development
- Exceptional interpersonal skills with teams
- Excellent data collection, graphing and verbal communication skills

Responsibilities:

- Implement ABA based behaviour strategies
- Implement naturalistic teaching, discrete-trial teaching, generalization and maintenance procedures
- Develop and deliver group evidence based skill acquisition programs
- Enter data and update behaviour outcome graphs
- Prepare for sessions as outlined in skill acquisition programs

- Assist with caregiver training
