

## **BEHAVIOUR TECHNICIAN LEVEL 2/3**

### **FULL TIME**

Lake Ridge Community Support Services provides high quality treatment, education and evaluation research services. We have over 70 clinicians and provide a range of services to agencies, families, children, youth, and adults. We have been providing services for over 30 years.

We are currently looking to add to our professional team. We are seeking to hire a Behaviour Technician Level 2 who is a Registered Behaviour Technician with BACB. The role of the Behaviour Technician will be to implement direct comprehensive behaviour therapy services to children, youth or adults with intellectual disabilities or Autism Spectrum Disorder using Applied Behaviour Analysis principles.

#### **Qualifications:**

- Degree in Psychology or a field related to Applied Behaviour Analysis or Behaviour Science Technology Diploma
- A Registered Behaviour Technician (RBT) certification in good standing with BACB
- Two years of full time post certification experience delivering ABA services to children, youth and adults with Autism Spectrum Disorder or intellectual disabilities.
- Advanced knowledge of ABA principles
- Exceptional interpersonal skills with teams
- Excellent report writing and verbal communication skills

#### **Responsibilities:**

- Implement ABA based behaviour strategies
- Assist in functional behavioural assessments and functional assessment procedures
- Enter data and update behaviour outcome graphs
- Prepare for sessions as outlined in skill acquisition programs
- Complete clinical reports
- Develop and facilitate skill development groups
- Assist with evidence based caregiver and community training and workshops
