

COMMUNICATE, LEARN AND PLAY (CLAP)

This workshop and play group series for children under 5 years old with ASD focuses on strategies to support early communication development. Parents will participate in a 1.5 hour workshop, followed by a 5-week interactive play group with their child. Facilitators will support parents and children by modeling strategies and providing feedback throughout the play groups. Topics that will be covered:

- Face to face interactions/play
- Communicating wants and needs
- Shared attention
- Imitation through play
- Talking about the environment

It is mandatory to attend the **parent-only** workshop on Wednesday January 30 from 9:00-10:30am prior to attending the 5-week interactive play group with your child.

Eligibility Criteria:

- Child with ASD registered with the Ontario Autism Program Durham Region
- Child is under 5 years old and is not meeting age appropriate criteria for communication
- Child must have group readiness skills
- If you are not sure if your child meets the eligibility criteria, please call (905) 666-9688 x 475

No cost required.

Please note: *There are various sessions available for this play group series and a minimum number of registrations are required to run each session. If we do not receive the minimum required for this date range, you may be requested to select a different set of dates. Thank you for your understanding.*
